Other Short Term Liabilities includes debt securities embedded with options due within one year.

(vi) **Institutional set-up for liquidity risk management:**

The Board of Directors has the overall responsibility for establishing the risk management framework for the Company. The Board, in turn has established an ALM Committee (ALCO) for evaluating, monitoring, and reviewing liquidity and interest rate risk arising in the Company on both sides of the Balance sheet. The Board based on recommendations from the ALCO has prescribed policies and the risk limits for the management of liquidity risk. ALCO committee is responsible for managing the risks arising out of Asset Liability mismatches consistent with the regulatory requirements and internal risk tolerances established by the Board. Amongst other responsibilities, ALCO has been empowered to decide the funding mix for the Company in light of the future business strategy and prevailing market conditions. ALCO committee is conducted at least once in a quarter and the ALCO minutes are reviewed by the Board from time to time.

Note: The amount stated in this disclosure is based on the provisional financial statements for the quarter ended June 30, 2020.
