Accordingly, this certificate is issued in accordance with the terms of our engagement letter dated May 16, 2023.

6. For the purpose of this report, we have planned and performed the following procedures:
- a) We have verified the details of the computation of the security cover submitted by the Company in the Annexure-I and ensured that the same is in agreement with the documents and relevant records submitted to us. We have verified the arithmetical accuracy of the Annexure-I. On sample basis verified, the details of the outstanding amount and assets required to be maintained as collateral for each series of the listed NCDs from the underlying books of account and other relevant records and documents maintained by the Company for the year ended March 31, 2023.
 - b) We have obtained from management, a list of applicable covenants extracted from the **'Covenants' section of respective DTDs**. Management has confirmed the covenants are extracted from all DTDs for all listed NCDs outstanding at March 31, 2023. Against each of the applicable covenants, obtained the status of compliance with such covenants as at March 31, 2023 from management.
 - c) Traced such applicable covenants to the respective DTDs for a sample of trust deeds; and
 - d) Verified the compliance with the covenants on sample basis, further with respect to covenants where management has confirmed that the covenant is not applicable or there were no instances noted as at March 31, 2023 we have not performed any procedures.
7. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
8. We conducted our examination of the Annexure-I in accordance with the Guidance Note on Reports or Certificates for Special Purposes (**Revised 2016**) (**the "Guidance Note"**) issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
9. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements issued by ICAI.

Conclusion

10. Based on our procedures performed as mentioned in paragraph 6 above, information and explanation given to us and representations provided by the Company, nothing has come to our attention that causes us to believe that:
- a) the security cover maintained by the Company against the outstanding listed NCDs are less than 100 percent as per the terms of Debenture Trust Deed; and
 - b) the Company has not complied with the applicable covenants
