**A customer may also reach out to RBI Ombudsman****Salient features of Reserve Bank – Integrated Ombudsman Scheme, 2021:**

The scheme covers all Non-Banking Financial Companies (excluding Housing Finance Companies) which have customer interface, with an assets size of Rupees 100 crore and above as on the date of the audited balance sheet of the previous financial year.

- It is no longer necessary for a complainant to identify under which scheme he/ she should file complaint with the Ombudsman.
- The Scheme defines 'deficiency in service' as the ground for filing a complaint, with a specified list of exclusions. Therefore, the complaints would no longer be rejected simply on account of "not covered under the grounds listed in the scheme".
- The Scheme has done away with the jurisdiction of each ombudsman office.
- A Centralised Receipt and Processing Centre has been set up at RBI, Chandigarh for receipt and initial processing of physical and email complaints in any language.
- The responsibility of representing the Regulated Entity and furnishing information in respect of complaints filed by customers against the Regulated Entity would be that of the Principal Nodal Officer in the rank of a General Manager in a Public Sector Bank or equivalent.
- The Regulated Entity will not have the right to appeal in cases where an Award is issued by the ombudsman against it for not furnishing satisfactory and timely information/ documents.
- This is an alternate dispute resolution mechanism
- Customer is at liberty to approach any other court/ forum/ authority for the redressal at any stage.

**Grounds of Complaint:**

Any customer aggrieved by an act or omission of a Regulated Entity resulting in deficiency in service may file a complaint under the Scheme personally or through an authorised representative.
