**Subject: Pre- Clearance of trading by designated person**

Dear Sir,

The Company has received a request from its Director for pre clearance of trade by saying that one of his related entity is purchasing the Company (Clix Capital Services Private Limited) issued Non- Convertible Debentures at a market price from third party via, normal market transaction.

Since the transaction is at a market price, without any access of UPSI and happening when trading window is open, same is being approved.

**For Clix Capital Services Private Limited**
